

### Introduction

1. The Board agrees that it has a responsibility to ensure that credit card expenditure incurred by the School must clearly be linked to the business of the School. The Board has agreed on the fundamental principles of this Policy, and has delegated responsibility for the implementation and monitoring of this Policy to the Principal.
2. The Board requires the Principal, as the chief executive and the Board's most senior employee, to implement and manage this Policy. The Principal may, from time to time, further delegate some of their responsibilities, and all such delegations must be attached as appendices to this policy.
3. This Policy must be read in conjunction with other Board Policies, and the exercising of all authority and responsibilities conferred under this Policy must be in accordance with the Schedule of Delegations and may not exceed an individual's established level of delegated authority.

### Process for Issue of Credit Cards

1. The school will have only one credit card which will only be issued to staff members on an 'as needed' basis.
2. The principal's secretary will keep track of the card's whereabouts.
3. The limits set for credit card use should not exceed the overall financial delegation of the cardholder, as set out in the Schedule of Delegations. Any variations require Board approval.
4. Prior to the card being issued, the recipient must be given a copy of this policy and be required to sign it off to signify that they have read and understood it.

### Procedures to be Followed when Using the Card

1. The credit card is not to be used for any personal expenditure.
2. The credit card will only be used for school expenditure within the user's delegated authority.
3. All expenditure charged to the credit card should be supported by:
  - A credit card slip
  - A detailed invoice or receipt to confirm that the expenses are properly incurred on School business
  - For expenditure incurred in New Zealand of value greater than \$50 (including GST) there should also be a GST invoice to support the GST input credit
4. The credit card statement should be certified by the cardholder as evidence of the validity of expenditure.
5. All purchases should be accounted for within 5 working days of receiving a credit card statement.

### Cash Advances

1. Cash advances are not permitted.

### Discretionary Benefits

1. Any benefits of the credit card such as a membership awards programme are only to be used for the benefit of the School. They should not be redeemed for personal use.

### **Cardholder Responsibilities**

1. The cardholder should never allow another person to use the card without authorisation.
2. The cardholder must protect the pin number of the card.
3. The cardholder must only purchase within the credit limit applicable to the card.
4. The cardholder must notify the credit card company and the school immediately if the card is lost or stolen.

### **Approval**

1. When the Board approved this Policy it agreed that no variations of this Policy or amendments to it can be made except with the unanimous approval of the Board.
2. As part of its approval the Board requires the Principal to circulate this policy to all staff, and for a copy to be included in the Staff Administration Manual, copies of which shall be available to all staff. The Board requires that the Principal arrange for all new staff to be made familiar with this Policy and other policies approved by the Board.
