

Allandale School Week 9 Term 3 2020

Kia Ora Whānau,

The theme for Te Wiki o te Reo Māori is 'Kia Kaha te Reo Māori' following on from the success of last year. 'Kia Kaha' is well known in New Zealand English with its correct Māori meaning of 'be strong'. We often talk about languages as if they are people – talking about language health, strength and revitalisation.

So when we say 'Kia Kaha te Reo Māori' we're saying - 'Let's make the Māori language strong'.

"Strength for an endangered language comes from its status, people being aware of how to support revitalisation, people acquiring and using it and from the language having the right words and terms to be used well for any purpose."

Every New Zealander can help strengthen our language. The goal is to have one million people speaking te reo by 2040.

This morning we had a special assembly to officially open Te Wiki o te Reo Māori at our School. We are particularly proud of all our staff for giving it a go and putting themselves out there by singing and performing.

Teachers as Learners.

Four of our teachers have participated in Sharp Reading professional learning and development this term. This professional learning was really valued and 10 teachers will be participating in this professional learning

development during the holidays.

Sports Report:

Allandale's Motueka Netball team are playing for 3rd or 4th place this Saturday against St Josephs. These are our Year 5 and 6 girls and they have had an amazing season with several of the players being new to netball. The girls have also coped with the covid regulations which has meant no supporters on

the sidelines. We wish the team all the best for Saturday.

Next Wednesday 23rd of September there will be a Sports prize-giving for netball, soccer and hockey. This will be at 5pm in our school hall. Please bring a plate for a shared kai to finish off our celebrations.

We are currently taking registrations for this year's Touch Rugby season. Please return your forms and \$10 payment to the school office asap.

Student Journalists - Quinn & Conrad

An update on our school lunches:

We were recently asked about what we wanted for school lunches, so we went around and got classes to vote between the four menus. Hot lunches such as butter chicken and nachos were a definite favourite.

Enthusiasm is contagious- and so is the lack of it.
