

Allandale School Week 8 Term 4 2020

Tēnā koutou e aku Rangatira,

With just 8 days remaining in the fourth Term, Allandale School continues to be a very busy place! Next Friday we will be sending home End-of-Year Allandale Kind of Kid reports. Please make sure that you take the time to talk with your tamariki about their learning and speak with their teacher if you have any questions or concerns.

Kia tau te rangimarie,

Drew Manning
Principal

2020 Prizegiving

Over the next week or so, Allandale students will gather with their teachers, friends and whānau to celebrate how much they have all progressed throughout the year. Parents, caregivers and whānau of all Allandale tamariki are invited to attend these important events!

Senior Prizegiving

Monday December 14th at 1:15pm

Middle Prizegiving

Wednesday 9th at 11:00am

Junior Prizegiving

Friday, December 11th at 2:00pm

Nau mai, haere mai, whānau ma!

Last Day of School for 2020

The last day of school for 2020 will be Wednesday, Dec. 16th. This is a change from earlier notices, as the Ministry of Education has reduced the number of days of instruction in 2020 as a result of the calendar disruptions caused by COVID earlier in the year.

Please note that school **ends at 12:30pm** on the last day. There will be a final assembly in Te Kaitiaki o Motueka beginning at 12:00pm.

Board of Trustees

On Monday 7th December we have our last Board of Trustees meeting for the year. We welcome anyone with feedback to come along and join us - 5.30pm in our staffroom.

Allandale 2020 Year Book

Claire House and the student Yearbook team have been working hard to get the Allandale 2020 Yearbook ready for publication. They have been involved with all aspects of the yearbook including advertising, photography, interviewing, and reporting. We can't wait to see the finished results.

Little Reminders

- Please ensure that all school uniform is clearly named. Now that it is getting warmer we are finding lots of unnamed jerseys.
- Blue hats need to be worn when the children are playing outside to keep them sunsafe.
- Even though we have drinking fountains placed around the school, a bottle of cold water in your child's school bag is always a good idea.

Kārearea 6 have been building frog catchers to help clear out the school pool and stock the frog pond outside Pepeke 19.
